HELLO FRESHERS!

Welcome to YSJSU Social!

We've teamed up with Stone Willy's Pizza to bring great food to the Union. Throughout the year we'll be changing the menu regularly to keep it fresh so keep an eye out for updates at [@YSJSU](#) on Instagram!

WHY CHOOSE PLANT BASED?

Climate change is happening right now. We can help by making small changes to our choices individually which will make a difference for us all. Eating less meat & dairy is one of the easiest changes we can make to help reduce carbon emissions.

We've teamed up with some of the UK's most awesome meat free companies like This™ whose plant based chicken is not only amazing, but creates 50 times less CO2 emissions than 1kg of beef!
